

WESTERN AUSTRALIA COURSE FEE

The Department of Training and Workforce Development is the State Government Department for Western Australia's Vocational Education and Training fee policy. The policy, including the full schedule of student course fees and charges for State Funded Enrolments can be accessed by visiting [this link](#).

The Student Tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as Student Service and Resources fee.

The approximate fee detailed below may differ for each individual depending on the units of competency selected, prior education and recognition of prior work experience / learning. These differences generally result from adapting course to meet local industry needs. The actual cost of the course will also vary if different electives are chosen by the student. Concessions and annual course fee cap may also apply. Fee has been quoted on the basis of 2019 rates only. These are expected to change in 2020. This document is accurate at the time of publication. Course information and fee is subject to change without notice.

Secondary school students are exempt from course and resource fees if they:

- a) are enrolled at school, as defined in the School Education Act 1999; and
- b) are undertaking a VET course

For secondary school-aged persons not enrolled at school, the maximum course fee chargeable in 2019 is \$420.
